**INFORMATION:**

Playing or participating in any sporting activity carries its own risks. Martial Arts is a contact sport and accidents happen, with potentially devastating effects.

The EKF Personal Accident policy is designed to help Instructors in cases of the most serious of injuries, fortunately quite a rare occurrence. It is impossible for EKF to purchase a policy that suits the individual needs of every member.

Instructors are encouraged to take responsibility for their own personal circumstances and consider taking out top up, tailor made individual personal accident policies to protect their income and assets in the event of an injury sustained whilst participating in their chosen martial art.
